

2. Fever Wave

93- 95% Liquid Plasma 1Cup1Life#1
4% Liquid Plasma 1Cup1Life#2 with GaNS
Drops of Saline Liquid Plasma1Cup1Life#2
Drops of Amino acid 1Cup1Life#2
Use only clear Liquid Plasma after sedimentation!

Drink 50ml every 30 minutes

Restoration:

Drink a 330 ml can of sweet soda and eat 150 grams of chocolate in small quantities during one hour.

Continue to eat energy-rich and nutritious foods (lamb's liver, chicken liver, honey, dates, etc.).

! Attention! If there is the slightest suspicion that the virus is still present in the body, this procedure should not be used as it can have the opposite effect and become a source of energy that feeds the Coronavirus.
